

**Revised Agenda for May 5<sup>th</sup> Briefing and Council Working Session**  
May 5, 2009

**PA Briefing on 2009 Statewide Plans**

(10:00 am to noon)

PAs provide briefing and overview of Electric and Gas Statewide Plans  
Questions, PA answers, and initial Council discussion

**Council Working Session**

(1:00 to 4:15)

Council asks additional questions, discusses the statewide Plans, and identifies topics or issues to address during its review. Consultants take notes to compile initial list of topics and issues to address during the Council's review in May through July (list of topics to be finalized at the Council's May 12 meeting). Consultants provide summary of initial analysis and preliminary high-level review comments.
